Statement on Australia's Nuclear-powered Submarines Program

Friday, 17/September/2021

Statement on Australia's Nuclear-powered Submarines Program

1. Indonesia takes note cautiously of the Australian Government's decision to acquire nuclear-powered submarines.
2. Indonesia is deeply concerned over the continuing arms race and power projection in the region.
3. Indonesia stresses the importance of Australia's commitment to continue meeting all of its nuclear non-proliferation obligations.
4. Indonesia calls on Australia to maintain its commitment towards regional peace, stability and security in accordance with the Treaty of Amity and Cooperation.
5. Indonesia encourages Australia and other parties concerned to advance dialogue in settling any differences peacefully. In this regard, Indonesia underscores the respect for international law, including UNCLOS 1982, in maintaining peace and security in the region.
